

CALL FOR PAPERS - General information

13th EFRC Conference, September 5-7, 2023 (Zagreb, Croatia)

"Special conference topic: Energy Transition"

The European Forum of Reciprocating Compressors invites you to present a lecture at the 13th EFRC Conference 2023 in Zagreb, Croatia.

Owners, operators, manufacturer and contractors, as well as scientists engaged in research, shall be given the opportunity to report on their experiences with reciprocating compressors and to share solutions to industry challenges. We are thereby looking for contributions on all kinds of compressors with reciprocating technology such as conventional concepts, membrane compressors, hydraulically driven etc.

Prospective speakers wishing to present a non-commercial paper should submit an abstract in English to the TU WIEN by using the attached template.

Please use this form as it is the only form being accepted.

Non Commercial Papers (Duration of presentation 20min / Q&A 10min)

- **Technical or scientific paper**
- **Operator's paper**
- **EFRC paper (research papers or major parts of it are sponsored by the EFRC R&D)**

The Programme committee will evaluate papers on the basis of the information supplied in this document.

This form must be completed and returned no later than November 15, 2022.

Please return the PDF form by email to programme@recip.org.

ABSTRACT

Contributors of presentations at the conference are invited to submit electronically a one page abstract, **not later than November 15, 2022**. Contributed abstracts will be peer-reviewed. Notification of acceptance will be given until January 15, 2023 latest. Abstracts should briefly outline the main features, results and conclusions as well as their general significance, and contain relevant references. Authors of selected abstracts will be invited to submit a 10 page paper for peer-reviewed publication in the Conference Proceedings.

For each lecture you have to submit an abstract to the EFRC Programme Committee.

Only abstracts submitted via email to **programme@recip.org**, using the abstract submission form below, will be considered.

The abstracts will be reproduced as submitted and unchanged in the Conference Proceedings of the conference.

The abstract has to be written in English with Times New Roman size 12 letters. The number of lines of the abstract body should not exceed 35 lines.

The abstract must contain the full name and address of author/s. In the case of joint authorships, the name of the author who will actually present the paper at the conference should be indicated with an asterisk.

The EFRC Programme Committee will evaluate the abstracts and decide on the final programme and reserves the right to reject abstracts.

For any further request, please contact the EFRC Task Force.
